

ABOUT THE MAJOR

The Bachelor of Science in Organizational Leadership is delivered fully online through a partnership with USG eMajor in collaboration with other University System of Georgia schools. Housed in the UWG College of Social Sciences, the program provides a true interdisciplinary opportunity. The degree allows for a large amount of student personalization through elective credits and credit for prior learning opportunities.

There are two concentrations available: the public service and social justice degree concentration.

ABOUT THIS MAP

This program map is intended ONLY as a guide for students to plan their course of study. It does NOT replace any information in the Undergraduate Catalog, which is the official guide for completing degree requirements. Use this map to help plan and guide your experience at UWG, including academic, co-curricular, and discovery opportunities. Everyone's experience is different and activities in this map are suggestions. Always consult with your advisors whenever possible for new opportunities and updates.
